MY NOTES FROM THE  
TRAINING

**TO GET STARTED, IT'S EASIER IF THE ORGANISER IS KNOWN TO YOU BUT IF NOT, DON'T FRET.**

Keep the email short and simple.

Make it focused on THEM and THEIR event.

Verify that they are the correct person to speak to.

End with a question that's quick and easy for them to answer.

Save your life story for later...for now, pique their interest and be respectful of their time.
